

S3 Prince's Trust Award

Why take this course?

This course is aimed at developing a wide range of personal and employability skills. It is targeted at pupils who would benefit from a course that helps students to get ready for the world of work and life after school. It is for you if you find the traditional classroom setting difficult. The course is highly valued by employers. You will be aiming to complete the Award in S3.

To succeed in this course, you need...

To try your best! Good attendance and a good attitude to learning will help. .

It is suitable for all students but will be of particular benefit to students with additional learning needs.

Course Content

During the S3 year we will complete units at SCQF level 3. Some of these include:

- Preparing for a healthy lifestyle
- Digital Skills
- Managing Money
- Personal Project
- Teamwork skills

Course Assessment

We will complete small units throughout the year. These will go together to form the Prince's Trust Award in Personal Development and Employability Skills. The more you complete, the more you will get.

Essentials

A smile

The ability to try your best.

Where might this course take me?

Progression from S3 (Level 3) Prince's Trust can take you onto the Prince's Trust Certificate course in S4. It will help you get a job in a wide range of fields as the skills you learn can be applied across all of your other subjects.
